Dear Mr. (Ms.) Coach:

After researching colleges that would challenge me academically and athletically, The University of North Carolina has an excellent reputation and the types of programs I wish to pursue after high school.

Enclosed please find my resume, detailing my academic standing and soccer experience. I am currently a junior with a GPA of 4.0 on a 4.0 scale. My high school class work has emphasized the sciences, since I am interested in pre-medical studies. I have been on the varsity soccer team since my freshman year, during that time our team won the state championship twice. In one season I was the highest scorer on the team. I also play on a Braden River Rage club team, we are the Hurricane Wilma Benefit tournament champions and are ranked 5th in the state. I am a member of the high school cross country team.

Your soccer program is of interest to me. I believe my skills and abilities would fit well into your program and allow me to be a vital member of the Tar Heels team, while developing my soccer skills under your style of play.

Any information you can provide on financial aid would be appreciated, I believe my academic standing will qualify me for scholarship assistance.

Thank you for considering me as a future member of the Tar Heels team. Please send me information on your program, and suggestions for how I can best prepare to attend the University of North Carolina in the fall of 2006.

Sincerely,

Daniel(le) Murphy
